

A diagram of a 2D lattice with yellow squares. Two horizontal lines are labeled "Strings 1 & 3" on the left. Blue dots are placed at various lattice sites. Some blue dots are enclosed in vertical ovals. Labels (V) and Home (I) point to specific blue dots. Below the lattice, a sequence of numbers (3), (5), (7), (9), (12), (15) is shown, corresponding to vertical columns of the lattice.

Diagram illustrating a 2D lattice structure. The lattice is represented by a grid of yellow squares. The left edge is labeled "Strings 2 & 4". The top edge is labeled "(V)" and "Home (I)". The bottom edge is labeled with coordinates (3), (5), (7), (9), (12), and (15). The grid contains blue dots and yellow ovals representing strings.

Typical moves

The diagram illustrates typical moves for a 1D Ising model on a 6x15 grid. Blue circles represent spins, and arrows indicate transitions between states. The grid is divided into sections labeled (3), (5), (7), (9), (12), and (15) at the bottom.

Thirds in C major (Good for any chord in key)

Home (I)

(3) (5) (7) (9) (12) (15)

 This is where there's a note or notes shared between one chord and the next.

**gt info**

Keyboards: Pete Jacobsen
D-drums: Wol Webster
Bass: Clive Grant.

lee's gtCD gear

I used the neck and middle pickup combination my Squier Hank Marvin Strat (10-46 Picato strings), via a Ripcord into Phil's Marshall JMP-1 pre-amp, which was set clean and DI'd into the desk. At mixdown, reverb (Big Studio) was added from a Lexicon MPX1, while compression from a Presonus DCP8 smoothed things out a bit.

Dm7

The musical score is written for guitar. The top staff is the melody line, and the bottom staff is the bass line. The key signature is one sharp (F#), and the time signature is 4/4. The score is divided into four measures, each with a chord label below it: G(sus4), G, C, and Em. The bass line includes fingerings (1-4) and a 'gliss' (glissando) instruction. The melody line includes fingerings (1-4) and a 'gliss' instruction. The bass line also includes a 'gliss' instruction. The score is written in standard musical notation with a treble clef and a key signature of one sharp (F#).
