DO RE MI Lead Sheet

C F
Lots of folks back East, they say, are leavin' home every day,
G C
Beatin' the hot old dusty road to the California line.
C F
'Cross the desert sands they roll, rollin' out of that old dust bowl.
G C
They think they're goin' to a sugar bowl, but here's what they find:
G
Now, the police at the port of entry say,
"You're number fourteen thousand for today."

Chorus:

G C G
If you ain't got the do re mi, folks, you ain't got the do re mi,
G C
Why, you better go back to beautiful Texas, Oklahoma, Kansas, Georgia, Tennessee.
C F
California is a garden of Eden, a paradise to live in or see,
F C G C
But believe it or not, you won't find it so hot if you ain't got the do re mi.

C F
You want to buy you a home or a farm, that can't deal nobody harm,

Or take your vacation by the mountains or sea.

Lead Sheet

A E7 E
I've sung this song, but I'll sing it again,
A E7 E
Of the place that I lived on the wild windy plains,
E A D
In the month called April, county called Gray,
A E
Here's what all of the people there say:

Chorus:

A E7 A
So long, it's been good to know yuh, so long it's been good to know yuh,
A D A E
So long, it's been good to know yuh, this dusty old dust storm has taken my home,
E A
And I gotta be driftin' along.

A E7 E
 A dust storm hit, an' it hit like thunder;
 A E7 E
 It dusted us over, an' it covered us under,
 A D
 Blocked out the traffic an' blocked out the sun,
 A E
 Straight for home all the people did run, singin': (*Chorus*)

A E7 E
 We talked of the end of the world, and then
 A E7 E
 We'd sing a song an' then sing it again.
 E A D
 We'd sit for an hour an' not say a word,
 A E
 And then these words would be heard: (*Chorus*)

A E7 E
 Sweethearts sat in the dark and sparked,
 A E7 E
 They hugged and kissed in that dusty old dark.
 E A D
 They sighed and cried, hugged and kissed,
 A E
 Instead of marriage, they talked like this: "Honey..." (*Chorus*)

A E7 E
 Now, the telephone rang, an' it jumped off the wall,
 A E7 E
 That was the preacher, a-makin' his call.
 E A D
 He said, "Kind friend, this may the end,
 A E
 An' you got your last chance of salvation of sin!" (*Chorus*)

A E7 E
 The churches was jammed, and the churches was packed,
 A E7 E
 An' that dusty old dust storm blowed so black.
 A D
 Preacher could not read a word of his text,
 A E
 So he folded his specs, an' he took up collection, said: (*Chorus*)

PASTURES OF PLENTY

Lead Sheet

D

It's a mighty hard row that my poor hands have hoed.

D

My poor feet have traveled a hot dusty road.

D

Out of your Dust Bowl and Westward we rolled,

D

F

D

And your deserts were hot and your mountains were cold.

D

I worked in your orchards of peaches and prunes.

D

I slept on the ground in the light of the moon.

D

On the edge of the city you'll see us and then

D

F

D

We come with the dust and we go with the wind.

D

California, Arizona, I harvest your crops.

D

Well its North up to Oregon to gather your hops.

D

Dig the beets from your ground, cut the grapes from your vine,

D

F

D

To set on your table your light sparkling wine.

D

Green pastures of plenty from dry desert ground,

D

From the Grand Coulee Dam where the waters run down,

D

Every state in the Union us migrants have been.

D

F

D

We'll work in this fight and we'll fight till we win.

D

It's always we rambled, that river and I.

D

All along your green valley, I will work till I die.

D

My land I'll defend with my life if it be,

D

F

D

Cause my pastures of plenty must always be free.

PHILADELPHIA LAWYER

Lead Sheet

D **A** **D**
Way out in Reno, Nevada, where romance blooms and fades,
D **G** **A** **D**
A great Philadelphia lawyer was in love with a Hollywood maid.

D A D
“Come, love, and we’ll go ramblin’ down where the lights are so bright.
D G A D
I’ll win you a divorce from your husband, and we can get married tonight.”

D **A** **D**
Wild Bill was a gun-totin' cowboy, ten notches were carved in his gun.
D **G** **A** **D**
And all the boys around Reno left Wild Bill's maiden alone.

D **A** **D**
One night when Bill was returning rom ridin' the range in the cold,
D **G** **A** **D**
He dreamed of his Hollywood sweetheart, her love was as lasting as gold.

D **A** **D**
As he drew near her window, two shadows he saw on the shade.

D **G** **A** **D**
'Twas the great Philadelphia lawyer makin' love to Bill's Hollywood maid.

D **A** **D**
The night was as still as the desert, the moon hangin' high overhead.

D **G** **A** **D**
Bill listened awhile through the window, he could hear ev'ry word that was said:

D **A** **D**
 "Your hands are so pretty and lovely, your form's so rare and divine."
D **G** **A** **D**
 Come go with me to the city and leave this wild cowboy behind."

D **A** **D**
Now tonight back in old Pennsylvania, among those beautiful pines,
D **G** **A** **D**
There's one less Philadelphia lawyer in old Philadelphia tonight.

The crops are all in and the peaches are rotting,

They took all the money he made in his life.

C F C
My brothers and sisters come working the fruit trees,

And they rode the truck till they took down and died.

C F C
Some of us are illegal, and some are not wanted.

C F C
Our work contract's out and we have to move on,

Six hundred miles to that Mexican border,

C F C
They chase us like outlaws, like rustlers, like thieves.

(Chorus)

C F C
 We died in your hills, we died in your deserts,
 C F C
 We died in your valleys and died on your plains.
 C F C
 We died 'neath your trees and we died in your bushes.
 C F C
 Both sides of the river, we died just the same.

(Chorus)

C F C
 The sky plane caught fire over Los Gatos Canyon,
 C F C
 A fireball of lightning, and shook all our hills.
 C F C
 Who are all these friends, all scattered like dry leaves?
 C F C
 The radio says, "They are just deportees."

 Is this the best way we can grow our big orchards?

 Is this the best way we can grow our good fruit?

PRETTY BOY FLOYD

Lead Sheet

D G D
If you'll gather 'round me, children, a story I will tell
D G A D
'Bout Pretty Boy Floyd, an outlaw, Oklahoma knew him well.

D G D
It was in the town of Shawnee, a Saturday afternoon,
D G A D
His wife beside him in his wagon as into town they rode.

D G D
There a deputy sheriff approached him in a manner rather rude,
D G A D
Using vulgar words of anger, an' his wife she overheard.

D G D
Pretty Boy grabbed a log chain, and the deputy grabbed his gun.
G A D
In the fight that followed he laid that deputy down.

D G D
Then he took to the trees and timber along the river shore,
D G A D
Hiding on the river bottom, and he never come back no more.

D G D
Yes, he took to the trees and timber to live a life of shame.
D G A D
Every crime in Oklahoma was added to his name.

D G D
But a-many a starvin' farmer the same old story told,
D G A D
How the outlaw paid their mortgage and saved their little homes.

D G D
Others tell you 'bout a stranger that come to beg a meal,
G A D
Underneath his napkin left a thousand-dollar bill.

D G D
It was in Oklahoma City, it was on a Christmas Day,
D G A D
There was a whole car load of groceries come with a note to say:

D G D
"Well, you say that I'm an outlaw, you say that I'm a thief.
G A D
Here's a Christmas dinner for the families on relief."

D G D
Yes, as through this world I've wandered I've seen lots of funny men;
D G A D
Some will rob you with a six-gun, and some with a fountain pen.

D G D
And as through your life you travel, yes, as through your life you roam,
D G A D
You won't never see an outlaw drive a family from their home.
