INTRODUCTION

Botanically speaking, the word *bluegrass* refers to any of the grasses in the genus *Poa*, including the famous Kentucky bluegrass of central Kentucky. In music, the term describes the hot string-band style pioneered by Kentuckian Bill Monroe and his Bluegrass Boys in the 1930s. Though he is gone now, Monroe remains the undisputed godfather of this remarkable, uniquely American music, which blends old-time country music with blues rhythms and jazz-influenced improvisation.

Traditional bluegrass musicians play traditional (or traditional-sounding) songs on guitars, fiddles, banjos, mandolins, and resonator guitars. High-harmony vocals are an added element of the style. A list of leading “traditional” bluegrass musicians would include Monroe, Earl Scruggs, Lester Flatt, the Dillards, Jimmy Martin, the Country Gentlemen, Jim and Jesse McReynolds, Mac Wiseman, and others too numerous to mention here. Contemporary bluegrass (“newgrass”) artists like Tony Rice follow basically the same format, but the songs, rhythms, scales and harmonies step outside the baseline of the older bluegrass music.

Whether you are a fan of old-time country music, traditional bluegrass, or newgrass, you are sure to find lots of great ideas in this new collection of bluegrass licks. So, grab your instrument, put on the CD, pull up a chair, and let’s start pickin’.

Larry McCabe

HOW TO USE THIS BOOK

This book contains 101 authentic bluegrass licks in the favorite bluegrass keys of C, G, D, and A minor. The licks are broken down into phrases of two, four, and eight bars. In addition, several endings and crosspicking licks are included. Each lick is played to a chord progression that is standard in bluegrass, country, and folk music.

Both new and experienced bluegrassers will find much value here: Beginners will learn typical hand positions, picking techniques, and phrasing patterns, while experienced players will find new ideas for familiar songs.

THE WRITTEN MUSIC

Each example is written in both notation and tablature exactly as it is recorded.

FINGERINGS

Suggested fretting-hand fingerings are provided in the notation staff. The recommended fingerings are not absolute, and you may modify a particular fingering if you have a better idea.

1 = First (index) finger 2 = Second (middle) finger 3 = Third (ring) finger 4 = Fourth (little) finger

THE COMPANION CD

1. An "A" tuning note is provided on the first track of the companion CD.
2. All 101 examples are contained on the companion CD. Each lick or solo is played with guitar accompaniment at a moderate tempo.
3. Each example is preceded by an two-bar count-in: "One and two and One and two and."
4. Most of the examples have their own CD track. Because the current technology allows only 99 tracks, a few tracks contain two examples. For your convenience, we placed short examples on these "doubled" tracks.

PROCEDURE

Beginners might want to start with the alternate-picking exercises (see page 43). After that, you might proceed to either the two-bar licks or the endings. The short examples will prepare you for the longer four-bar and eight-bar licks. Experienced players can play through the examples in any order.

To all players: Whenever you encounter a lick that is too difficult, try another one and return to the more challenging example later. Finally, if you cannot keep up with the CD, practice with a metronome until you reach the desired speed.

CROSSPICKING LICKS

Each two-bar crosspicking lick is played twice on the CD.

97 C

Two-bar crosspicking lick in C major. The notation includes a treble clef, a C-clef, and a key signature of one flat. The melody is written on a single staff with eighth notes. Above the staff, picking flags (V for downpick, ^ for uppick) indicate the sequence: ^ V V ^ V V ^ V V. The guitar tablature below shows the fretting: Treble (T) has open strings (0), 3rd fret (3), and 5th fret (5); Bass (B) has 5th fret (5), 3rd fret (3), and 5th fret (5). The pattern repeats for two bars.

98 F

Two-bar crosspicking lick in F major. The notation includes a treble clef, an F-clef, and a key signature of one flat. The melody is written on a single staff with eighth notes. Above the staff, picking flags indicate the sequence: ^ V V ^ V V ^ V V. The guitar tablature below shows the fretting: Treble (T) has 5th fret (5), 3rd fret (3), and 5th fret (5); Bass (B) has 3rd fret (3), 3rd fret (3), and 3rd fret (3). The pattern repeats for two bars.

99 G

Two-bar crosspicking lick in G major. The notation includes a treble clef, a G-clef, and a key signature of one sharp. The melody is written on a single staff with eighth notes. Above the staff, picking flags indicate the sequence: ^ V V ^ V V ^ V V. The guitar tablature below shows the fretting: Treble (T) has 3rd fret (3), 2nd fret (2), and 3rd fret (3); Bass (B) has open string (0), 2nd fret (2), and open string (0). The pattern repeats for two bars.

Crosspicking involves picking across three adjacent strings. For best results, be sure to follow the suggested picking. After you learn these crosspicking patterns, try to make up a few of your own.

100

D

Handwritten musical notation for exercise 100, D major. The notation includes a treble clef, a key signature of one sharp (F#), and a common time signature (C). The melody is written on a single staff. Above the staff, there are four measures of chords: V, V, V, V. Below the staff, there are three measures of fingerings: 0 0 2 0 0 3 0 0, 5 0 0 3 0 0 2 0, and 0 0 0 0 0 0 0 0.

101

A7

Handwritten musical notation for exercise 101, A7 major. The notation includes a treble clef, a key signature of one sharp (F#), and a common time signature (C). The melody is written on a single staff. Above the staff, there are four measures of chords: V, V, V, V. Below the staff, there are three measures of fingerings: 2 3 4 2 3 4 2 3, 4 2 3 4 2 3 4 0, and 2 2 2 2 2 2 2 2.

D Major Scale #1

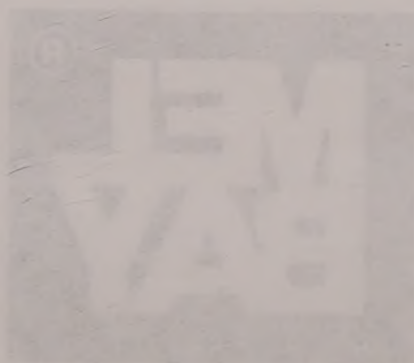

The musical notation for 'The Wind' is presented in two systems. The first system shows the beginning of the piece, starting with a treble clef, a key signature of one sharp (F#), and a common time signature (C). The melody is written on a five-line staff, featuring a series of eighth and quarter notes. The second system continues the melody, also on a five-line staff. Below the musical notation, a guitar tablature is provided, consisting of a single line with numbers representing fret positions. The tablature is divided into two measures, each containing a sequence of numbers: 0 2 4 5 0 2 4 5 and 5 4 2 0 5 4 2 0.

D Major Scale #2

Musical score for "The Wind" by The Beatles. The score is in G major (one sharp) and 4/4 time. It features a treble clef and a key signature of one sharp (F#). The melody is written on a single staff. Below the staff is a guitar tablature (TAB) with five lines labeled T, A, B, G, and D from top to bottom. The TAB uses numbers 0-5 to indicate fret positions. The melody consists of 16 measures, with the last measure being a whole note chord.
