

REINHARD'S FLATPICKING FAKEBOOK

6th Edition – Last Entry: Bill Cheatum

Was ist Reinhard's Flatpicking Fakebook

Reinhard's Flatpicking Fakebook ist eine Sammlung von Traditionals, nämlich Fiddle-Tunes in Noten und Tabulatur. In dieser Notensammlung befinden sich die Versionen dieser Fiddle-Tunes und Solos für Gitarre, die ich mir mit der Zeit zurechtgelegt, ausgearbeitet und aufgeschrieben habe. Überwiegend handelt es sich um Bluegrass-Standardstücke, von denen die meisten auf Bluegrass-Treffen und Sessions gespielt werden. Einige dieser Stücke sind nahe an dem, was man als Grundform bezeichnen könnte, andere sind wiederum schon ziemliche Variationen, die sich mit der Zeit des Herumprobierens auf dem Griffbrett so ergeben haben. Daher sind wahrscheinlich auch die Schwierigkeitsgrade recht unterschiedlich, eine Klassifizierung nach Schwierigkeitsgraden habe ich noch nicht durchgeführt, vielleicht mache ich das noch. Tatsache ist jedenfalls, daß ich einige der von mir selbst ersonnenen Variationen selbst nur recht langsam spielen kann.

Nachdem mir klar wurde, daß ich inzwischen eine kleine Sammlung hatte, kam mir im November 2010 die Idee, die Noten allgemein zugänglich zu machen. Ich war und bin froh um jeden Tip und Instruktionen, die ich beim Lernen und Üben dieser Musik bekommen habe und bekomme. Warum soll ich dann nicht das weitergeben, was sich im Laufe der Zeit „auf meinem eigenen Mist“ ansammelt ? Vielleicht ist es für jemand nützlich oder kurzweilig. Falls ja, sollte mich das freuen. Da die Sammlung nicht nur aus Noten und Tabulatur, sondern auch und zuerst aus Aufnahmen besteht, also all das vorhanden ist, was ein Instruktionsbuch heutiger Prägung ausmacht, nämlich einerseits Noten/TAB, andererseits der Tonträger, bin ich noch einen kleinen Schritt darüber hinaus gegangen und habe in dieses Buch einfach die Links aufgenommen, über die man die Tonaufnahmen herunterladen kann.

So weit ich Informationen über den Ursprung der Stücke finden kann, setze ich sie in einen Anhang hinein. Auch soll die Sammlung fortgeschrieben werden, so daß das, was jetzt vorliegt, vielleicht nur ein Anfang ist, aus dem mit der Zeit mehr werden kann.

Die Benutzung und Verbreitung zum Selbststudium und ästhetischem Genuß ist frei. Das gilt aber nicht für die gewerbliche Nutzung des „Flatpicking Fakebook“, sei es ganz oder in Teilen, etwa durch Verkauf, Vermietung, Aufführung, als Unterrichtsmaterial in gewerblichem oder staatlichem Unterricht oder sonstwie. Verwertungsrechte, die sich aus der Veröffentlichung und der Notierung ergeben, bleiben ebenso vorbehalten, wie Rechte, die sich aus den Bearbeitungen oder Arrangements ergeben.

What is Reinhard's Flatpicking Fakebook ?

Reinhard's Flatpicking Fakebook is a collection of traditional fiddle-tunes in notation and tabulature in one PDF file. The collection contains versions of these fiddle tunes and breaks belonging to songs, (both for the guitar) as I have carved them out for myself, recorded them and wrote them down. Most of them are bluegrass standards and will be played on sessions and bluegrass meetings, I believe. Some of the tunes may be close to what can be called a basic version, other ones are more elaborated and embellished variations just like they arose from "noodeling" along on the fretboard. As a result I am quite sure that the levels of difficulty may vary a lot. I did not implement a grading system so far, maybe I will add something like that in a future edition. As a matter of fact I can play some of my own versions quite slowly only.

After having recorded some tunes as a means of controlling my playing and my progress and after having done some writing with my notation software I conceived the idea in November 2010 to make all of this available to other bluegrass guitarists. As much as I am happy for every tip and useful suggestion I can get, my stuff might as well be useful or entertaining for some other player. I would be pleased if this would be the case.

My collection not only comprises notation and tabulature but first of all recordings thus providing all the media typical for nowadays guitar books: Notation/TAB and the accompanying recordings. You will find the links to the recordings distributed in the book itself. The recordings themselves are MP3 files hosted on a server.

As far as I can gather some information about the origin of the tunes I am going to put this information in an appendix at the end of the book. By now there only is a german version of the appendix but I am going to translate it as soon as I will have some time left for that.

You may use the fakebook for private study or entertainment, may copy it and hold as many copies as you like, distribute it to others but you must not make any kind of commercial use of the Fakebook may it be by selling, leasing, using it as teaching material in commercial or public lessons or any other kind of commercial use, may it be as a whole or may it concern only parts of the work. Exploitation rights arising from arranging, notating and tabbing also remain reserved.

A Part

The image shows a musical score for guitar, tablature, and bass. The guitar part is in G major, 8/8 time, and features a melodic line with a key signature of one sharp (F#) and a time signature of 8. The tablature part shows fret numbers (1, 2, 3, 4, 0) and a slide instruction "slide" under the 3rd fret. The bass part is a simple line with notes corresponding to the guitar melody.

Trying to play Jesse McReynolds's "Dixie Hoedown" from memory the result was something with a different melody matching the chords of Dixie Hoedown. I called it Mason Dixon Showdown to point out the interchangeability.

FLOWERS OF EDINBURGH

Traditional Tabbed by R. Becker 2010

First system of musical notation for 'Flowers of Edinburgh'. The system consists of five measures. The first measure has a treble clef, a key signature of one sharp (F#), and a 4/4 time signature. The melody is written on a single staff. Below the staff, the chords G, D, and Em are indicated. The tablature is written on three staves labeled T, A, and B. The T staff contains the numbers 0, 2, 0, 0, 2, 0, 2, 0, 3, 1, 0, 2, 0. The A staff contains the numbers 0, 4, 2, 0, 0, 2, 4, 0. The B staff contains the numbers 2, 0, 4, 0, 2, 0, 2.

Second system of musical notation for 'Flowers of Edinburgh'. The system consists of five measures. The first measure has a treble clef, a key signature of one sharp (F#), and a 4/4 time signature. The melody is written on a single staff. Below the staff, the chords G, C, G, D, G, and G are indicated. The tablature is written on three staves labeled T, A, and B. The T staff contains the numbers 0, 2, 0, 3, 0, 2, 3, 0, 3, 1, 0, 0, 2, 0, 2, 1, 0, 0, 0, 2, 1, 0, 0, 0, 7, 7. The A staff contains the numbers 0, 0, 2, 0, 0, 2, 0, 2, 0, 3, 0, 2, 3, 0, 3, 1, 0, 0, 2, 0, 2, 1, 0, 0, 0, 2, 1, 0, 0, 0, 7, 7. The B staff contains the numbers 0, 0, 2, 0, 0, 2, 0, 2, 0, 3, 0, 2, 3, 0, 3, 1, 0, 0, 2, 0, 2, 1, 0, 0, 0, 2, 1, 0, 0, 0, 7, 7.

Third system of musical notation for 'Flowers of Edinburgh'. The system consists of four measures. The first measure has a treble clef, a key signature of one sharp (F#), and a 4/4 time signature. The melody is written on a single staff. Below the staff, the chords G, D, C, and Em are indicated. The tablature is written on three staves labeled T, A, and B. The T staff contains the numbers 8, 8, 8, 7, 10, 8, 7, 7, 7, 7, 10, 8, 7, 9, 7, 9, 7, 7, 8, 7, 9, 7, 0, 0, 0, 3, 0. The A staff contains the numbers 8, 8, 8, 7, 10, 8, 7, 7, 7, 7, 10, 8, 7, 9, 7, 9, 7, 7, 8, 7, 9, 7, 0, 0, 0, 3, 0. The B staff contains the numbers 8, 8, 8, 7, 10, 8, 7, 7, 7, 7, 10, 8, 7, 9, 7, 9, 7, 7, 8, 7, 9, 7, 0, 0, 0, 3, 0.

Fourth system of musical notation for 'Flowers of Edinburgh'. The system consists of four measures. The first measure has a treble clef, a key signature of one sharp (F#), and a 4/4 time signature. The melody is written on a single staff. Below the staff, the chords G, C, G, D, and G are indicated. The tablature is written on three staves labeled T, A, and B. The T staff contains the numbers 3, 0, 0, 0, 3, 3, 3, 0, 3, 0, 2, 3, 2, 0, 3, 1, 0, 0, 2, 0, 2, 1, 0, 0, 0, 7, 7. The A staff contains the numbers 3, 0, 0, 0, 3, 3, 3, 0, 3, 0, 2, 3, 2, 0, 3, 1, 0, 0, 2, 0, 2, 1, 0, 0, 0, 7, 7. The B staff contains the numbers 3, 0, 0, 0, 3, 3, 3, 0, 3, 0, 2, 3, 2, 0, 3, 1, 0, 0, 2, 0, 2, 1, 0, 0, 0, 7, 7.

OLD JOE CLARK

A-Part

Traditional - RBs Arrangement, Tabbed 2010

Musical notation for the A-Part of 'Old Joe Clark'. The piece is in G major (one sharp) and 4/4 time. The notation includes a treble clef, a key signature of one sharp (F#), and a time signature of 4/4. The melody is written on a single staff. The guitar tablature is written below the staff, with fret numbers (0-5) and string numbers (1-6) indicated. The tablature is organized into measures corresponding to the musical notation. The first measure is marked with a 'G' chord. The second measure is marked with a 'D' chord. The third measure is marked with a 'G' chord. The fourth measure is marked with a 'D' chord. The fifth measure is marked with a 'G' chord. The sixth measure is marked with a 'D' chord. The seventh measure is marked with a 'G' chord. The eighth measure is marked with a 'D' chord. The ninth measure is marked with a 'G' chord. The tenth measure is marked with a 'D' chord. The piece ends with a double bar line.

B-Part

Musical notation for the B-Part of 'Old Joe Clark'. The piece is in G major (one sharp) and 4/4 time. The notation includes a treble clef, a key signature of one sharp (F#), and a time signature of 4/4. The melody is written on a single staff. The guitar tablature is written below the staff, with fret numbers (0-5) and string numbers (1-6) indicated. The tablature is organized into measures corresponding to the musical notation. The first measure is marked with a 'G' chord. The second measure is marked with a 'D' chord. The third measure is marked with a 'G' chord. The fourth measure is marked with a 'D' chord. The fifth measure is marked with a 'G' chord. The sixth measure is marked with a 'D' chord. The seventh measure is marked with a 'G' chord. The eighth measure is marked with a 'D' chord. The ninth measure is marked with a 'G' chord. The tenth measure is marked with a 'D' chord. The piece ends with a double bar line.

B					

B-Part Variation 2, erster Takt - einfacher

Einfachere Spiel- und Greifweise. Nach dem E wechselt die Hand v on der Lage am fünften Bund wieder nach 0 und setzt die Melodie dort fort. Das ist etwas einfacher, aber der Harfen-Effekt ineinander überklingender Töne kommt nur eingeschränkt zum Tragen.

B-Part Variation 2 - easier

This is the way I play the part because it is easier than the fingering below. The right hand switches back to the zero position and continues to play the melody down there. By making things easier you trade some of the beautiful harp effect the harder fingering would provide.

B-Part Variation 2, erster Takt - schwieriger

Schwierigere Spiel- und Greifweise. Die Melodie wird unter Einbeziehung v on Leersaiten im gesamten Takt in der fünften Lage durchgespielt. Das bringt einen schönen Harfeneffekt. Schön, wenn ich das mal "up Tempo" hinbekäme.

B-Part Variation 2, first measure, harder to play

This is the same notes in an open string-scale kind of playing. To be precise it is the right hand work that's more difficult here because the right hand has to cross-pick the melody while the left hand just presses notes or doesn't on the 5th position.

ANGELINA THE BAKER

Traditional - Fingerpicking Arrangement by R. Becker 2009 - Drop-D tuning

Slow recording : <http://www.bluegrassforum.eu/resource/guitar/AngelinaSlowlyFingerpicking.mp3>

Recording up tempo : <http://www.bluegrassforum.eu/resource/guitar/AngelinaFingerpicking.mp3>

First system of musical notation for 'Angelina the Baker' in Drop-D tuning. The system includes a treble clef with a key signature of one sharp (F#) and a 2/4 time signature. The guitar part is written in standard notation with a capo on the 5th fret. The bass part is written in a simplified notation with letters T, A, and B for strings and numbers for frets. Chord diagrams for D and G are shown. The first measure has a 'pull off' instruction for the A string.

Second system of musical notation for 'Angelina the Baker'. It continues the melody and bass lines. Chord diagrams for D, A7, and D are shown. The bass part includes 'pull off' instructions for the A string in the second and third measures.

Third system of musical notation for 'Angelina the Baker'. It continues the melody and bass lines. Chord diagrams for D and G are shown. The bass part includes 'pull off' instructions for the A string in the second and third measures.

Fourth system of musical notation for 'Angelina the Baker'. It continues the melody and bass lines. Chord diagrams for D, A7, and D are shown. The bass part includes 'pull off' instructions for the A string in the second and third measures.

NINE POUND HAMMER

Traditional - Guitar Break Arr. R. Becker 2010 - Capo 2 Key = A

Download Links pointing on MP3 files of the version above, recorded by Reinhard 2010:

Slow 90 BpM: <http://www.bluegrassforum.eu/resource/guitar/NinePoundHammer90mix.mp3>

Up Tempo 120 BpM: <http://www.bluegrassforum.eu/resource/guitar/NinePoundHammer120mix.mp3>

First system of musical notation for 'Nine Pound Hammer'. It consists of a treble clef staff with a key signature of one sharp (F#) and a 4/4 time signature. The melody is written in a single line. Below the staff are three staves labeled T, A, and B, representing the guitar fretboard. The T staff shows the fret number (8). The A staff shows the fret number (0, 0, 0, 2). The B staff shows the fret number (0, 0, 0, 2) and includes the instruction 'sl-i-de' under the first measure and 'h-on' under the second measure. The system is divided into four measures, with the first measure containing a G chord and the second measure containing a C chord.

Second system of musical notation for 'Nine Pound Hammer'. It consists of a treble clef staff with a key signature of one sharp (F#) and a 4/4 time signature. The melody is written in a single line. Below the staff are three staves labeled T, A, and B, representing the guitar fretboard. The T staff shows the fret number (8). The A staff shows the fret number (0, 1, 2, 0, 2, 0, 0, 3). The B staff shows the fret number (0, 1, 2, 0, 2, 0, 0, 1, 2, 0). The system is divided into four measures, with the first measure containing a G chord and the second measure containing a D chord.

Third system of musical notation for 'Nine Pound Hammer'. It consists of a treble clef staff with a key signature of one sharp (F#) and a 4/4 time signature. The melody is written in a single line. Below the staff are three staves labeled T, A, and B, representing the guitar fretboard. The T staff shows the fret number (8). The A staff shows the fret number (3, 3, 1, 2, 1, 3, 1, 3, 0, 0, 5, 3, 4, 0, 1, 1, 0, 2, 0, 0). The B staff shows the fret number (3, 3, 1, 2, 1, 3, 1, 3, 0, 0, 5, 3, 4, 0, 1, 1, 0, 2, 0, 0) and includes the instruction 'p-off' under the first measure and 'p-off' under the second measure. The system is divided into four measures, with the first measure containing a G chord and the second measure containing a C chord.

Fourth system of musical notation for 'Nine Pound Hammer'. It consists of a treble clef staff with a key signature of one sharp (F#) and a 4/4 time signature. The melody is written in a single line. Below the staff are three staves labeled T, A, and B, representing the guitar fretboard. The T staff shows the fret number (8). The A staff shows the fret number (5, 0, 3, 3, 0, 1, 2, 3, 1, 3, 4, 0, 3, 3, 3, 3, 3, 3, 3, 3). The B staff shows the fret number (5, 0, 3, 3, 0, 1, 2, 3, 1, 3, 4, 0, 3, 3, 3, 3, 3, 3, 3, 3) and includes the instruction 'sli-de' under the first measure. The system is divided into four measures, with the first measure containing a G chord and the second measure containing a D chord.

Recording up tempo (130 BpM): <http://www.bluegrassforum.eu/resource/guitar/soldiersJoy130.mp3>

The image displays a musical score for the song "The Wind" by The Beatles. It includes a guitar part and a bass part. The guitar part is written in standard notation on a single staff, with a key signature of one flat (B-flat) and a 4/4 time signature. The bass part is written in a simplified notation style, using numbers 0-6 to represent frets on a six-string bass. The score is divided into four measures. The first measure is labeled "II" and "C", the second "I" and "F", the third "C" and "G", and the fourth "C". The guitar part features a melodic line with eighth and quarter notes, and a final measure with a double bar line and repeat dots. The bass part provides a rhythmic accompaniment with eighth and quarter notes, and a final measure with a double bar line and repeat dots.

Recording 110 BpM: <http://www.bluegrassforum.eu/resource/guitar/BlackMountainRagBasic110.mp3>

The recording starts with the version above, played out of the C chord form capoed 2nd fret. The actual key is D for that reason. After one turnaround the key changes to A played out of the G chord position (see pages 32 - 33).

I know that there are versions eight measures longer than this one, repeating the A (or B if you like) -part chord progression two times more.

Anhang

The Big Scioto gilt als ein Oldtime Stück, ein sogenannter Breakdown. Als Herkunft wird West Virginia angenommen. Variationen des Stücks sind unter verschiedenen Titeln (u.a. „Kentucky Winder“) bekannt geworden. Das Stück taucht in den verschiedenen Kompendien als „Old Time Instrumental Music“ auf, so in „Fiddler's Fakebook“ (Brody 1983) und „Traditional American Fiddle Tunes“ (Phillips 1978) auf. Aufbau: AABB.

Clinch Mountain Backstep ist ein Oldtime Stück, dessen Banjo-Bearbeitung von Ralph Stanley wohl die bekannteste ist. Der Ursprung liegt im Dunklen. Der Aufbau ist AABB. Das Stück weist die Besonderheit auf, daß es im B-Teil einen 2/4-Takt enthält. Ich nehme an, daß das der „Backstep“ ist und die Ähnlichkeiten zum alpenländischen „Zwiefachen“ fallen einem ein.

Mason Dixon Showdown Dieses Stück ist entstanden, als ich versuchte, „Dixie Hoedown“ von Jesse McReynolds nach Gehör zu lernen, was mir vermeintlich auch gelang, denn ich konnte zu den Akkorden etwas spielen. Als ich die Melodie flüssig spielen konnte und sie sich verfestigt hatte, schrieb ich sie auf. Bei einem späteren Vergleich mit verschiedenen Noten von „Dixie Hoedown“ stellte ich fest, daß die Melodie, die sich so manifestiert hatte, zwar zu der Harmonie-Entwicklung von Dixie Hoedown gespielt werden kann, aber mit dem Stück ansonsten nicht viel zu tun hat. Also habe ich ihm einen eigenen Namen gegeben, der aber an den Namen des Stücks erinnert, von dem es abgeleitet ist. Aufbau AABB..

Flowers of Edinburgh Dieses Stück geht auf den Anfang bis zur Mitte des 17. Jahrhunderts zurück. Es soll als Melodie für Moritatengesänge und Balladen bereits in den 1630er Jahren in England auftauchen. Irgendwo habe ich gelesen, daß man in jener Zeit mit „Flowers“ ironisch die Gerüche beschrieb, die aus den Gassen und Kanälen der damals noch klärwerkfreien Zonen der Städte aufgestiegen sind, womit das Stück seines romantischen Charakters beraubt wäre. Das tut der zeitlosen Schönheit der Musik aber keinen Abbruch, ganz gleich, welche Spötter 1630 durch Edinburghs Gassen taumelten. Aufbau AABB.

Lonesome Road Blues -

Old Joe Clark –

Red Haired Boy Ein Standardstück aller Flatpicker weltweit, könnte man sagen. Es soll aus dem frühen 18. Jahrhundert stammen und aus einem englischen Air mit dem Titel „Guilderoy“ abgeleitet sein. Das Stück wird verschiedentlich auch „Little Begarman“ und „Jolly Beggar Man“ genannt. Aufbau AABB.

Salt Creek -

The Traveller Ein Oldtime Fiddle-Tune, aus New England mit Ursprung in Schottland. Aufbau AABB.

Whiskey before Breakfast -

Cherokee Shuffle soll eine von der US-Westküste stammende Version eines Oldtime-Instrumentalstücks mit dem Titel „Lonesome Indian“ sein, die aus einer Aufnahme des Geigers Tony Magness aus den 30er Jahren abgeleitet sein soll, so eine Aussage des Banjospielers Howard Bursen, wiedergegeben in „Ceolas Fiddler's Companion“. Aufbau AABB.

Gold Rush –

Angelina Baker – Urheber soll Stephen Foster sein, als Veröffentlichungsdatum ist das Jahr 1850 bekannt. Von Stephen Foster kenn man es als Lied mit Text. Der Sänger beschreibt, von Angelina Baker verschmäht und abgewiesen worden zu sein, wenn man sich den Text aber anhört, denkt man gleich, daß er darüber eigentlich froh sein kann und er ist es wohl auch, wenn man sich die eher fröhliche, ja beinahe emphatische Musik dazu anhört. Das Stück wird allenthalben auch gerne als Instrumentalstück gespielt und es weist den üblichen AABB-Aufbau auf, wobei sich die musikalische Welt nicht ganz einig ist, welcher Teil A und welcher als B zu bezeichnen ist. Man kann also durchaus erleben, daß irgendwelche Kerle das Stück mit dem Teil anfangen, den man bislang für Teil B gehalten hat. Oder umgekehrt.

Nine Pound Hammer – Traditional, der unter anderem durch Merle Travis bekannt wurde. Das Lied soll bis in das Jahr 1891 zurückverfolgt werden können. Weiter soll eine Aufnahme der „Hillbillies“ existieren, die aus dem Jahr 1927 stammt. Die Thematik des derzeit bekannten Textes – über die Beiträge verschiedener Interpreten zur Textdichtung besteht keine Klarheit – ist die Arbeitswelt: Bergbau. „Roll on Buddy, don't you roll so slow“ – “How can I roll when the wheels won't go ?”

Soldier's Joy – Manche sagen, es sei erstmals um 1760 herum in England aufgetaucht, manche meinen, darin einen Norwegischen Volkstanz zu erblicken, manche erkennen darin eine dänische Melodie, es soll in Schweden als Volkstanz gespielt werden, wo es Engelska heißt, was wieder auf England als Ursprung hindeutet. Nichts genaues weiß man nicht, außer, daß es dieses Stück schon sehr lange zu geben scheint und daß es nicht unterzukriegen ist.
