Folsom Prison Blues

E
I hear the train a-comin', it's rollin' 'round the bend,
E E7
And I ain't seen the sunshine since I don't know when.
E7 A E
I'm stuck in Folsom Prison, and time keeps draggin' on.
E B7 E
But that train keeps rollin', down to San Antone.

E
When I was just a baby, my mama told me, "Son,
E E7
Always be a good boy, don't ever play with guns."
E7 A E
But I shot a man in Reno, just to watch him die.
E B7 E
Now when I hear that whistle blowin, I hang my head and cry.

E
I bet there's rich folks eatin' in a fancy dinin' car.
E E7
They're prob'ly drinkin' coffee and smokin' big cigars.
E7 A E
But I know I had it comin', I know I can't be free.
E B7 E
But those people keep a-movin' and that's what tortures me.

E
Well, if they freed me from this prison, if that railroad train was mine,
E E7
I'd prob'ly beat it on a little farther down the line,
E7 A E
Far from Folsom Prison, that's where I'd want to stay,
E B7 E
And let that lonesome whistle blow my blues away.

The musical score for 'The Rose Tree' is presented in two systems. The first system consists of a treble clef staff with a key signature of three sharps (F#, C#, G#) and a common time signature (C). The melody is written in a simple, folk-like style. The second system is a guitar tablature, indicated by the 'T' and 'B' symbols at the beginning of the staff. It shows the fret numbers for each string across four measures, corresponding to the melody above. The tablature includes various fret numbers such as 0, 2, and 3, and some measures have a '1/2' indicating a half-fret or a specific technique. The overall style is that of a traditional folk song.

The image shows a musical score for guitar. The top staff is in treble clef with a key signature of three sharps (F#, C#, G#). The bottom staff is in bass clef. The melody in the treble clef consists of eighth and quarter notes, while the bass line in the bass clef consists of whole and half notes. The score is divided into four measures. The first measure is labeled 'A' and the fourth measure is labeled 'D'. The bass line in the first measure has a '2' over the first fret and a '0' over the open string. The bass line in the second measure has a '2' over the first fret and a '0' over the open string. The bass line in the third measure has a '0' over the open string and a '2' over the first fret. The bass line in the fourth measure has a '0' over the open string and a '3' over the third fret.
