EXPLANATION OF THE TAB SYSTEM

"...Learning from listening is unquestionably the best way, the only way that suits this kind of music. You are setting the notes down for a record of what happened, a record that can be studied, preserved and so on, a necessary and useful companion to the recordings of the actual sounds. I keep thinking of this as I transcribe; if you could do it, it would be good to have a legend across each page reading : 'Listen to the record if you want to learn the song.'"

Hally Wood (taken from the Publisher's Foreword to the *New Lost City Ramblers Songbook*.)

These words are most suitable for introducing the tablature system, for tablature is just a guide and should be used in conjunction with the recordings. Tablature is not like music notation, however the combination of tab and music in an arrangement forms a complete language. Used together with the original recordings they give a total picture of the music.

The tab system does not attempt to show rhythms or accents. These can be found on the music or heard in the recordings. Music notation tackles these articulations to a degree, but the overall sensations, the feel and the soul of music cannot be wholly captured on the written page. In the words of the great Sufi Hazrat Inayat Khan: "...The traditional ancient songs of India composed by great Masters have been handed down from father to son. The way music is taught is different from the Western way. It is not always written, but is taught by imitation. The teacher sings and the pupil imitates and the intricacies and subtleties are learned by imitation."

This is the theme I've tried to interpolate into the tablature. Tablature is the roadmap and you are the driver. Now to the tab:

Each space indicates a string. The top space represents the first string, second space the second string, etc. A zero means an open string, a number in the space indicates the fretted position, for instance a 1 in a space indicates the first fret of that string.

In the diagram below the zero is on the second string and indicates the open second string is played. The 1 is placed on the third string and signifies the first fret of the third string. Likewise, the 4 is in the fourth space and indicates the fourth fret of the fourth string.

Generally for fingerpicking styles you will be playing the thumb, index and middle fingers of your picking hand. To indicate the picking finger in tab the stems go up and line up down from the numbers.

- A stem down means that your thumb strikes the note.
- If a stem is up, your index or middle finger strikes the note.
The choice of finger is left up to you, as your fingers will dictate what is most comfortable, especially when playing a song up to tempo!
- The diagram below shows an open sixth string played with the thumb followed by the second fret of the third string played with the index or middle finger:

In most cases the thumb will play an alternating bass pattern, usually on the bass strings. The index and middle fingers play melodic notes on the first, second and third strings. Please remember, this is not a rule; there are many exceptions.

In fingerpicking there are two "picking" styles: Regular picking and "pinching" two notes together. A pinch is shown in the tab by a line connecting two notes. A variation of this can also be two treble notes pinched with a bass note. Follow the examples below from left to right:

- The open sixth string is played with the thumb.
- The first fret of the sixth string is pinched together with the third fret on the third string. The sixth string is played with the thumb, the third string with the index finger.
- The thumb strikes the third fret of the fourth string.
- The first fret/sixth string is played with the thumb; it's pinched with two notes in the treble. The index and middle fingers strike the first fret/first string and the third fret/second string.
- The next note is the index finger hitting the first fret/second string.
- Lastly, the bass note is played with the thumb on the third fret/fourth string.

There are certain places in blues and contemporary guitar that call for the use of either strumming techniques or accented bass notes. The tab illustrates these as follows:

- 1) The thumb hits the open sixth string and the second fret on the fifth string should also sound. For example, play an E chord. Now strike the open string and vary the force of your attack. Try hitting it hard enough so that the fifth string vibrates as well. This technique is very important for developing a full sound and the right alternating bass sound.
- 2) Next the arrow notation indicates a brush and the arrow head indicates the direction of the brush.
 - A. If the arrowhead is pointed down, the hand brushes up towards the sixth string.
 - B. If pointed up, the hand brushes down towards the first string.
 - C. The number of strings to be played by the brush is shown by the length of the arrows. For example, this arrow shows a brush up toward the sixth string, but indicates to strike only the first, second and third strings.
 - D. The brush can be done with your whole hand, index finger or middle and ring finger. Let comfort plus a full and "right" sound guide your choice.
- 3) The third set of notes again shows the sixth string/open bass note played with the thumb and being struck hard enough to make the fifth string/second fretted position sound.
- 4) Once more an arrow pointed downward indicates a brush up. This example forms an E chord and the brush up includes the first, second, third and fourth strings.
- 5) The last set of notes has an arrow pointed upward, indicating a brush downward striking the first, second, and third strings.
- 3) HARMONICS: Symbolized by a dot (•). To play a harmonic: gently lay your finger directly above the indicated fret (don't press down!) The two notes in the example are both harmonics. The first on the twelfth fret/third string is played with the index/middle finger, while the second note—twelfth fret/fourth string—is played with the thumb.
- 4) SLIDE: Shown with a dash (–). Play the second fret/sixth string and then slide up to the fourth fret of the sixth string. This is a continuous movement: the string is struck once with your thumb.
- 5) PULL-OFF: "P" designates a "pull-off." Fret both the seventh and ninth frets on the second string. Play the ninth fret with your index/middle finger and then quickly remove it in the same stroke, leaving the seventh fret/second string. Pull-offs are generally in a downward direction.
- 6) In certain cases other specific symbols are added to the tab, for instance:
 - A. For ARTIFICIAL HARMONICS an "X" is placed after the fretted position.
 - B. For SNAPPING a note an indication may be given with a symbol or the written word.

Many times these special techniques are combined, for instance putting a pull-off and a hammer-on together. Coordination of your fretting and picking hands will be complex initially, but the end results are exciting and fun to play.

Here are several special effects that are also symbolized in tablature:

- 1) HAMMER-ON: Designated by an "H" which is placed after the stem on the fret to be hammered. In the example above, fret the second fret/fifth string and pick it with your thumb. Then "hammer-on" (hit hard) the third fret/fifth string, i.e. fret the third fret/fifth string. This is an all-in-one, continuous motion which will produce two notes rapidly with one picking finger strike.
- 2) WHAM: Designated by a "W." In the example the eighth fret/second string is "whammed" and played with the seventh fret/first string. Both notes are played together with your index and middle fingers respectively. The whammed note is "stretched." We do this by literally bending the note up. We can "wham" the note up a half tone, full tone, etc.

PICKING HAND POSITION FOR FINGERPICKING STYLES:
The Classical and Flamenco schools have strict right-hand rules, however for this style of acoustic fingerpicking there are NO RULES, only suggestions. Your right hand position should be dictated by comfort, however in observation of many well-known fingerpickers I found one hand position similarity—they all tend to rest their little finger and/or ring finger on the face of the guitar. This seems to help their balance for accenting notes and control of the guitar. Experiment with this position: it may feel uncomfortable at first. I ask my students to perfect this position and then compare the sound to when their finger(s) were not placed on the face of the guitar. They usually find the sound is greatly improved when some contact is kept with the guitar face.

MUSIC NOTATION: We have somewhat adapted the music notation in that this also shows whether the note is picked with your thumb or index/middle fingers. The stems of the music notes correspond to the direction of the tab stems. I hope this will make the music notation clearer to fingerpicking guitarists.

I hope you will feel at home and comfortable with the tablature and musical notations. Remember, these are only road maps indicating where and how you should place your fingers. The playing and musical interpretation is up to you.

MY CREOLE BELLE

Chords: C, F, C, C⁷

Chords: G, G⁷, C

Chords: F, C, C⁷

Chords: G, G⁷, C

D.S.

Into Next Verse (F)

My Creole belle, I love her well,
My darlin' baby, my Creole belle.
When the stars shine I'll call her mine,
My darlin' baby, my Creole belle.

My Creole belle, I love her well,
I love her more anyone can tell.
My Creole belle, I love her well,
My darlin' baby, my Creole belle.

When the stars are shinin' I'll call her mine,
My darlin' baby . . .
My Creole belle, I love her well,
My darlin' baby, my Creole belle.

LOUIS COLLINS

First system of musical notation. Treble clef, 4/4 time. Chords: C, G⁷, C. Bass clef, 4/4 time. Fingering: 3, 3-5, 3, 0, 1, 0, 1, 3H 1, 3, 3, 2, 0, 3, 2, 0, 3, 2, 3, 3.

Second system of musical notation. Treble clef, 4/4 time. Chord: F. Bass clef, 4/4 time. Fingering: 0, 0, 1, 3, 1, 0, 3, 1, 0, 3, 1, 0, 3, 2H, 1, 1, 3, 3, 3, 3, 1, 1.

Third system of musical notation. Treble clef, 4/4 time. Chords: C, G⁷, C. Bass clef, 4/4 time. Fingering: 0, 3, 2, 2, 0, 3, 0, 3, 1, 2, 0, 2HP0, 1, 3, 2, 2, 3, 3.

Fourth system of musical notation. Treble clef, 4/4 time. Chords: G, G⁷, C. Bass clef, 4/4 time. Fingering: 3, 5, 3, 3, 6, 0, 1, 3H 1, 3, 5, 5, 5, 3, 5, 5, 3, 2, 2, 3, 2, 2, 3, 3.

Mrs. Collins wept, Mrs. Collins moaned
To see her son Louis leavin' home.
The angels laid him away.

The angels laid him away,
They laid him six feet under the clay.
The angels laid him away.

Mrs. Collins wept, Mrs. Collins moaned
To see her son Louis leavin' home.
The angels laid him away.

Oh, Bob shot once and Louis shot two.
Shot poor Collins, shot him through and through.
The angels laid him away.

Oh, kind friends, oh, ain't it hard?
To see poor Louis in a new graveyard.
The angels laid him away.

The angels laid him away,
They laid him six feet under the clay.
The angels laid him away.

Oh, when they heard that Louis was dead,
All the people, they dressed in red.
The angels laid him away.

The angels laid him away,
They laid him six feet under the clay.
The angels laid him away.

Mrs. Collins wept, Mrs. Collins moaned
To see her son Louis leavin' home.
The angels laid him away.

The angels laid him away,
They laid him six feet under the clay.
The angels laid him away.

One old woman in this town
Keeps on tellin' her lies on me.
I wish to my Lord, that woman would die
She's telling her lies on me.

Chorus: Oh babe, ain't no lie.
Oh babe, ain't no lie.
Oh babe, ain't no lie.
This life I'm living is very hard.

I've been all around this whole wide world
I just got home today.
I work all the day and give my money all to you
What more can I do.

Chorus: Oh babe, ain't no lie.
Oh babe, ain't no lie.
Oh babe, ain't no lie.
This life I'm living is very hard.

ALL MY FRIENDS ARE GONE

VERSE

C

F

C

F

C

G

C

The musical score for 'All My Friends Are Gone' is presented in four systems. Each system consists of a guitar staff and a bass staff. The guitar staff shows the melody with chords C, F, and G indicated. The bass staff provides the bass line with fret numbers and techniques such as 2H (two-hand tapping) and 3H (three-hand tapping). The first system is labeled 'VERSE' and 'C'. The second system is labeled 'F' and 'C'. The third system is labeled 'F'. The fourth system is labeled 'C', 'G', and 'C'.

E

GUITAR BREAK

F C

G C

First Version: from the singing of Rev. Gary Davis

Delia, Delia was a-goin ' her last go round
When ol ' Cutty came by
And shot her to the ground
All the friends I had are gone.

Delia, Delia made a lunge to run,
Sheriff shot her down
With his great big Gatlin' gun.
All the friends I ever had are gone.

Rubber-tired carriage, rubber-tired hack
Done took poor Delia to the boneyard,
Ain't never brought her back.
All the friends I ever had are gone.

Men in Atlanta tryin' to pass fo' white.
Delia 's in the graveyard
Six feet out of sight.
All the friends I ever had are gone.

Men in Atlanta drinkin' out a silver cup
Delia's in the graveyard,
Ain 't never goin ' to get up.
All the friends I ever had are gone.

Delia, Delia, how could it be ?
Wanted everyone,
But you never had time for me
All the friends I ever had are gone.

Second Version: from the singing of Blind Wille McTell

Delia was a gambler, gambled all around
She was a gamblin 'girl,
She's layin' her money down.
She 's all I got is gone.

Delia see her mother, took a trip out West.
When she returned,
Little Delia had gone to rest.
She 's all I got is gone.

Delia 's Mother weeped, Delia 's father moaned.
Wouldn't hurt so bad,
But chile died at home.
She 's all I got is gone.

Delia, Delia, how can it be?
Say you love them rounders
And don't love me.
She's all I got is gone.

Cutty's he's in the barroom, drinkin' out of a silver cup.
Delia she 's in the graveyard
May not never wake up.
She 's all I got is gone.

Rubber-tired buggy, double-seated hack,
Taken Delia to the cemetery
But failed to bring her back.
She's all I got is gone.

Delia, Delia poor girl she 's gone.
All I have
She has left me all alone.
She 's all I got is gone.

Judge said to Cutty, "What that fuss about?"
"All account of those gamblers
Tryin' to drive me out. "
She 's all I got is gone.

Cutty said to the judge, "What might be my fine?"
"I done told you poor boy
You got ninety-nine. "
She 's all I got is gone.

Up on the house top, high as I can see,
Lookin ' at those rounders
Lookin' after me.
She 's all I got is gone.

Curly lookin ' high, curly lookin ' low,
Shot poor Delia down
With that April 44.
She 's all I got is gone.

SEE SEE RIDER

First system of music for "SEE SEE RIDER". The system consists of a treble clef staff and a bass clef staff. The treble staff has a key signature of two sharps (F# and C#) and a 4/4 time signature. The bass staff has a 6/4 time signature. The music is written in a style that suggests a guitar or mandolin accompaniment. The first measure of the treble staff is marked with an "A" above it. The second measure is marked with a "D" above it. The bass staff contains fingerings and fret numbers (e.g., 1-2, 5, 1-2, 3, 2, 1-2, 1-2).

Second system of music. The treble staff continues with the same key signature and time signature. The bass staff continues with the same time signature. The music is written in a style that suggests a guitar or mandolin accompaniment. The first measure of the treble staff is marked with an "A" above it. The second measure is marked with a "D" above it. The third measure is marked with a "G" above it. The bass staff contains fingerings and fret numbers (e.g., 5, 1-2, 3, 0, 1H, 0, 3, 0, 3, 0, 3, 0, 2).

Third system of music. The treble staff continues with the same key signature and time signature. The bass staff continues with the same time signature. The music is written in a style that suggests a guitar or mandolin accompaniment. The first measure of the treble staff is marked with a "D" above it. The second measure is marked with a "G" above it. The bass staff contains fingerings and fret numbers (e.g., 2, 3, 2, 3, 1, 3, 1, 3, 1, 0, 0, 3, 0, 3, 0).

Fourth system of music. The treble staff continues with the same key signature and time signature. The bass staff continues with the same time signature. The music is written in a style that suggests a guitar or mandolin accompaniment. The first measure of the treble staff is marked with a "D" above it. The bass staff contains fingerings and fret numbers (e.g., 0, 3, 0, 3, 0, 2, 0, 2, 3, 3, 2, 2, 3, 2, 3).

You see see rider, you see what you have done?
 You made me love you . . .
 Made me love you, now your man done come,
 You made me love you, now your man have come.

Ain't no more potatoes, the frost have killed the vine,
 Well, the blues ain't nothin' but a good woman on your mind,
 The blues ain't nothin' but a good woman on your mind,
 The blues ain't nothin' but a good woman on your mind.

You see, see, rider, you see what you done?
 You done made me love you . . .
 You made me love you . . .

I've told you, baby, and your mama told you, too,
 "You're three times seven, you know what you wanna do,
 Three times seven, you know what you wanna do,
 You're three times seven, you know what you wanna do."

If I had a listened to my second mind,
 Lord, I wouldn't have been sittin' here and wringin' my hands and cryin',
 I wouldn't been sittin' here, wringin' my hands and cryin',
 I wouldn't been sittin' here, wringin' my hands and cryin'.

You see, see, rider, you see what you have done?
 You done made me love you . . .
 You made me love you . . .

SUGARBABE

First system of musical notation for "SUGARBABE". The system consists of a treble staff and a bass staff. The treble staff is in 4/4 time with a key signature of three sharps (F#, C#, G#). The bass staff is in standard notation with a large 'B' and a 'T' symbol. The system is divided into three measures. The first measure is labeled 'E' and the third measure is labeled 'A'. The notation includes various notes, rests, and fingerings (0, 1H, 2, 2H).

Second system of musical notation for "SUGARBABE". The system consists of a treble staff and a bass staff. The treble staff is in 4/4 time with a key signature of three sharps (F#, C#, G#). The bass staff is in standard notation with a large 'B' and a 'T' symbol. The system is divided into three measures. The first measure is labeled 'E'. The notation includes various notes, rests, and fingerings (0, 1H, 2, 2H, P0).

Third system of musical notation for "SUGARBABE". The system consists of a treble staff and a bass staff. The treble staff is in 4/4 time with a key signature of three sharps (F#, C#, G#). The bass staff is in standard notation with a large 'B' and a 'T' symbol. The system is divided into three measures. The first measure is labeled 'B7' and the third measure is labeled 'E'. The notation includes various notes, rests, and fingerings (0, 1H, 2, 2H, 3, 4).

Sugarbabe, I'm tired of you,
Ain't your honey but the way you do.
Sugarbabe, it's all over now.

All I want my babe to do,
Make five dollars and give me two.
Sugarbabe, it's all over now.

Went downtown and bought me a rope,
Whipped my baby till she Buzzard Lope.
Sugarbabe, it's all over now.

Sugarbabe, what's the matter with you?
You don't treat me like you used to do.
Sugarbabe, it's all over now.

Went to town and bought me a line,
Whipped my baby 'till she changed her mind.
Sugarbabe, sugarbabe, it's all over now.

Sugarbabe, I'm tired of you,
Ain't your honey but the way you do.
Sugar babe, it's all over now.

MONDAY MORNING BLUES

First system of music for "Monday Morning Blues". The system consists of a treble clef staff and a bass clef staff. The key signature is two sharps (F# and C#), and the time signature is 4/4. The treble staff features a melody with eighth and quarter notes, including a triplet. Chord symbols A, A7, and D are placed above the staff. The bass staff contains a bass line with numbers 1-2, 5, 0, 1-2, 5, 2, 3, 3-7, 5, 7, 5, 0, 0, 0, 0, indicating fret positions.

Second system of music. The treble staff continues the melody with a triplet. Chord symbols A and A7 are present. The bass staff continues the bass line with fret numbers: 7, 5, 8, 5, 7, 1-2, 5, 0, 1-2, 5, 2, 3, 2, 0, 2.

Third system of music. The treble staff features a triplet and a descending eighth-note scale. Chord symbols D and A are present. The bass staff continues the bass line with fret numbers: 3-7, 5, 7, 5, 5, 7, 5, 8, 5, 7, 0, 1-2, 5, 5, 0, 1-2, 1-2, 0.

Fourth system of music. The treble staff features a triplet and a descending eighth-note scale. Chord symbols A7 and E are present. The bass staff continues the bass line with fret numbers: 5, 2, 3, 2, 0, 0, 3, 0, 2, 2, 2, 0, 0, 0, 0.

A 1., etc. A⁷ D.S.

Treble clef staff: A major key signature (F#, C#). Melody: A4 (quarter), B4 (quarter), C#5 (quarter), B4-A4 (beamed eighth notes), G4 (quarter), F#4 (quarter), E4 (quarter), D4 (half).
 Bass clef staff: Bass line with fingerings: 0, 2, 0, 2, 2, 0, 2, 0, 1-2, 1-2, 5, 2, 3, 2, 0, 2, 0.

Last Time

Treble clef staff: Melody: A4 (quarter), B4 (quarter), C#5 (quarter), B4-A4 (beamed eighth notes), G4 (quarter), F#4 (quarter), E4 (quarter), D4 (half).
 Bass clef staff: Bass line with fingerings: 2, 0, 5, 2, 5, 2, 0, 2.

I woke up this morning...
I woke up this morning...
Woke up this morning, with the monday morning blues.

I couldn't hardly find...
I couldn't hardly find...
I couldn't hardly find, my monday morning shoes.

Monday morning blues...
Monday morning blues...
Monday morning blues, searched all through my bones.

Monday morning blues...
Monday morning blues...
Monday morning blues, made me leave my home.

I've been laying in jail...
I've been laying in jail...
I've been laying in jail, six long weeks today.

Lord, tomorrow morning...
Lord, tomorrow morning...
Lord, tomorrow morning, gonna be my trial day.

Lord, I asked the judge...
Well, I asked the judge...
Well, I asked the judge, what might be my crime.

Get a pick and shovel...
Get a pick and shovel...
Get a pick and shovel, let's go down in the mine.

That's the only time...
That's the only time...
That's the only time, I ever felt like cryin'.

Well, my heart struck sorrow...
Well, my heart struck sorrow...
Well, my heart struck sorrow, tears come rolling down.

The musical score consists of two staves. The top staff is a vocal melody in D major, starting with an E7 chord and an 'A' marking. The bottom staff is a guitar accompaniment with fret numbers and a 'T/B' marking.

All you ladies, gather 'round,
The good, sweet candyman's in town,
Candyman, candyman!

He's got stick candy that's nine inches long,
He sells it faster than a hog can chew his corn,
Candyman, candyman!

All heard what sister Johnson said,
She always takes a candystick to bed,
Candyman, candyman!

Aw, his stick candy don't melt away,
It just gets better, so the ladies say,
Candyman, candyman!

Yes, can't stand close to the candyman,
He'll ease a stick of candy in your hand,
Candyman, candyman!

Yes, you and the candyman, you're gettin'
mighty sick, mm hmm . . .

Unh huh, oh yeah,
Oh yeah, yes, yes!

I say, you and the candyman, you're gettin'
mighty sick, mm hmm, mm hmm,
You must be stuck on the candyman's stick,
oh yeah, oh yeah.

SISTER KATE

First system of music for "Sister Kate". The system consists of two staves. The top staff is in treble clef with a key signature of one sharp (F#) and a 4/4 time signature. It begins with a D chord and contains two measures of music. The bottom staff is in bass clef and contains two measures of music, primarily using fingerings 2, 3, and 0.

Second system of music. The top staff continues the melody with a D chord above the first measure. The bottom staff continues the bass line with various fingerings including 0, 3, 2, and 3.

Third system of music. The top staff features a G chord above the first measure and a triplet of eighth notes in the second measure. The bottom staff includes a triplet of eighth notes and a sequence of notes with fingerings 2, 3, H, P, 2, P, 0, 0, 2, H, 0, 2, 0.

Fourth system of music. The top staff begins with a G chord. The bottom staff continues the bass line with fingerings 2, 0, 3, 2, 0, 3, 0, 3, 3, 0, 3, 0, 3, 0, 0.
